

LONGHI

MARLA

Y 798 Giuseppe Viganò

Collection of furniture with shaped forms and curved corners, available in two heights. The structure can be fully upholstered in leather from the collection, or entirely in matt wood veneer: Erable, Eucalyptus, Ebony, Medium Canaletto walnut, Sycamore frisè, Brown Palissandro, Liquorice stained ash wood. The bimaterial variant allows the option to have part (A) or (B) in different finishes: either upholstered in leather or in the wood veneers listed above. The three feet and the interior of the structure are lacquered in matte finishes, coordinated with the interior of the structure. Only in the high version, in the section with doors, are there transparent glass shelves. The low version has 4 doors and a drawer, while the high version is equipped with 4 doors and 3 drawers. The top is made of 20 mm thick marble: Travertino marble, Green Lepanto marble, Cipollino marble, Arabescato Orobico marble, White Carrara marble, Dover White marble, Red Levanto marble, Emperador Dark marble, Agatha Black marble, Frappuccino marble, Calacatta marble, Patagonia marble, Juliet Quartz marble, Taj Mahal marble. Alternatively, the top can be in bronze or smoked mirror, or in glossy lacquered glass in colors from the collection.
