

IANUS MIDDLE MODULAR SYSTEM

Y 500 Alessandro La Spada

Ianus Middle is a modular system for building equipped partition walls with open compartments, chests of drawers, shelves and small doors that can be inserted to perfectly complete the modular nature of the boiserie panels and the doors.

The structure is in veneered wood in the finishes: matt tinted Zebrano wood, matt Canaletto walnut, matt Newood Ebony or closed pore matt lacquer. Front edges of modules and door profiles are in anodized aluminium finishes, as follows: Matt Platinum, Matt satin bronze, Bright Aluminium, Bright Champagne Gold, Bright dark brown electrocolour.

The shelves are in dark matt tinted Zebrano wood, matt Canaletto walnut, matt Newood Ebony, closed pore matt lacquer, covered in P.3 Cat. Suede or Tecsuede, or in natural, bronzed, or smoky 8 mm glass.

Drawer fronts are covered in leather P.3 Cat. Suede or Tecsuede.

Drawer interior bottoms are in wood or lined with leather P.3 Cat. Suede or Tecsuede.

The side panels have LED lighting over their entire height. The system includes a special 180 cm module customizable for the TV.

NOTE_the side panel includes an adjustable foot.
