

CHARME SOFA

W 585 Giuseppe Viganò

Iron armrest frame with moulded polyurethane foam. Wood backrest frame covered in double density polyurethane foam. Wood seat with elastic bands covered in triple density polyurethane foam with upper layer of Memory Foam to guarantee comfort and resistance to crushing. The entire sofa is covered with a soft quilted cover of sterilised goose down. Given the particular upholstery process, the backrest and armrest structures are only available with leather upholstery finished with plain coloured buttons or Swarovski crystal buttons.

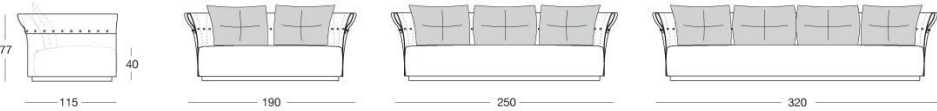

The seat and backrest cushions can be either in leather or fabric. Base in painted, oven cured metal in bronze or black.

Given the particular process, the frame and seat covers - both in leather and fabric - are not removable, but backrest cushion covers are.
