

LONGHI

TOBY POUF

X 443 Giuseppe Viganò

The padded pouf is made of wood and covered in high density polyurethane foam. A metal service table is fastened in the centre of the pouf, and it matches the tubular metal structure. Available finishes: Shaded copper, Bright shaded brown, Black Rose gold, bright light gold, Champagne gold, bright chrome, bright black chrome, matt satined bronze. Given the particular assembly, the upholstery is NOT removable.
