

ARNOLD

W 502 Giuseppe Viganò

Collection of sofas and modular elements in various sizes. The structure is in wood with durable flexiblePVC slats supporting the seat made of multi-density polyurethane foam with Memory Foam. The backrest cushions are in sterilized goose down. The feet are in wood covered in leather and/or fabric in the same colour, with a metal base painted bronze. On the sides of the seat, there is an elegant semi-circular metal plate offered in the finishes in the catalogue: Satined Champagne, Bright/satined Burnished, Shaded copper, Bright/satined brown, Bright/satined Black rose, Bright/satined light gold, Bright/satined chrome, Bright/satined black chrome, Matt satined bronze. The upholstery CANNOT be removed from the structure and the seat, but the seat and backrest cushions covers in leather or fabric are removable.
