Inserire la vite nella rondella dentellata.
Insert the screw into the notched washer.

ATTENZIONE: Questa operazione non
serve per il modello "BIG".
ATTENTION: This will not necessary
for the model "BIG".

6

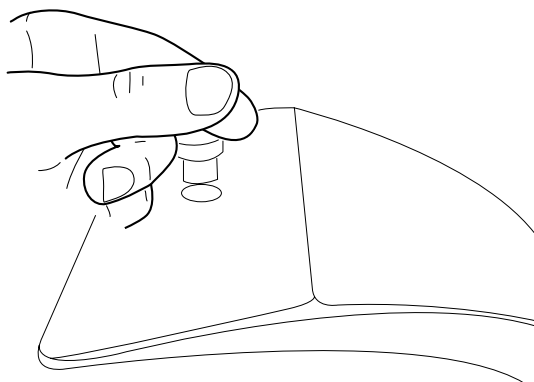

Centrare il foro filettato presente sulla
piastra e stringere la vite servendosi
della chiave in dotazione. Ripetere questa
operazione per ogni gamba.
Center the threaded hole and screw in
by using the provided spanner. Repeat
this step for every leg.

ATTENZIONE: Questa operazione non
serve per il modello "BIG".
ATTENTION: This will not necessary
for the model "BIG".

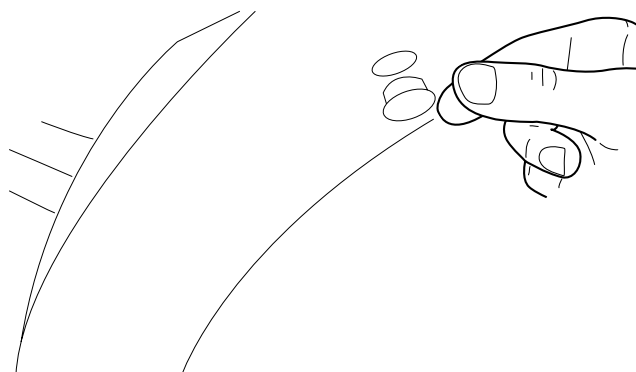

7

Inserire il distanziale in gomma rigida
in ogni foro (6) ed appoggiare il top
in vetro centrandolo meglio possibile.
Insert the hard rubber spacer into each
hole and center the glass top as well
as possible.

ATTENZIONE: Questa operazione non
serve per il modello 8028.
ATTENTION: This will not necessary
for the model 8028.

8

Ad assemblaggio ultimato, inserire
gli appositi tappi copriforo.
Completed assembly insert the
appropriate plugs into the hole.
